

OCEANA HOA AND MARINA DIRECTORY INFORMATION

The Oceana BOD has been approached by a homeowner to provide a contact list for Oceana. We have been advised that members must be given an opportunity to “opt-out” having their information shared. North Carolina Section 55A-16-02 for non-profits states that a roster of members and their address within the neighborhood may be shared if the request is made “in good faith and for a proper purpose.” No phone numbers or email addresses may be shared without the approval of the member. This section specifically states that that the list may not be “used for any commercial purpose or sold to or purchased by any person or organization.” This list may not be used for solicitation of any type.

If you do not respond with either choice below, your name and your Oceana address will be included on the list.

It is your choice to have your information published or not.

I do not want any information published.

I have provided the information below that may be included in the directory.
